

# Regional Transportation Discussion

You're invited to attend an in-person meeting to learn details surrounding the DART Silver Line Regional Rail Project. Members of the Silver Line team and DART staff will be on hand to share the latest on construction developments and answer your questions about Silver Line service and other transit connections.

The UTD Student Government Association (SGA) will conduct a transportation panel. Panelists include DART Board Chairman Gary Slagel and representatives from the City of Richardson who will discuss public transportation and its impact on the city and UTD campus.
